

Mark DeGarmo Dance's Arts Administration, Fundraising, and Citizen Leadership Internship Program 2022

Mark DeGarmo Dance, a nonprofit organization deemed “a national model” by The National Endowment for the Arts, was founded in 1987 as Dynamic Forms, Inc. President Barack Obama commended Dr. Mark DeGarmo and the organization for “your service to your communities and the nation.” Its mission includes: educate our communities, especially children; create, perform and disseminate original dances, artistic and scholarly work; and build intercultural community through dance arts.

MDD has produced over 100 dances and 30 international tours involving cultural diplomacy and exchange with 13 countries including Latin America, Europe and Russia. Our evidence-based education programs target NYC PreK-5th grade Title I public school students and communities of color without dance arts education. In 2022, the organization will work with up to 1,500 students and classroom teachers in up to 20 public elementary schools in all five NYC boroughs. MDD reaches approximately 2,200,000 individuals across all programs and outreach worldwide.

We seek MDD Arts Administration, Fundraising, and Citizen Leadership Interns to start immediately and throughout 2022 depending on the intern's availability. MDD Interns will work directly with the Operations, Marketing, and Archival Analyst and receive guidance from the Founder, Executive and Artistic Director Mark DeGarmo, Ph.D. This unpaid, volunteer internship offers an excellent opportunity to gain valuable real-life experience in nonprofit arts administration, operations, marketing, programming, and development with a leading New York City dance and dance education organization with a history of local, national, and international recognition, awards, and honors for its service, partnerships, and cultural diplomacy. The MDD Interns will support the organization's daily administrative tasks, operations, and marketing and programming initiatives, as well researching, expanding, and updating outreach databases, and working on development-based expansion and fundraising projects. The internship is remote with in person options.
