

K-POP DISTRICT

Part-Time Dance Instructor (K-Pop / Hip-Hop)

K-Pop District runs weekly K-pop dance classes for kids and adults on the Philadelphia Main Line. We are looking for a couple more instructors this fall.

Locations: King of Prussia, Wayne and Havertown, PA

Schedule: Weekends. Two hours a week to start, with room to grow.

What You'll Do

- Teach one-hour classes to groups of ten to fifteen dancers
- Two age groups: kids 8 to 14, and teens 15+ together with adults
- We agree on the song together and send you the practice video. You learn the TikTok section, about 30 seconds, and teach it.
- A couple of new songs a month
- Keep the class positive, well run and welcoming

What We're Looking For

- Teaching experience with at least one age group (kids, teens or adults)
- K-pop experience is welcome but not required. Hip hop, commercial, street, or broader dance education would work well.
- Comfortable picking up choreography quickly from a video
- Reliable, punctual and good with students
- Child Abuse Clearances, Criminal History Check, and Proof of Insurance are preferred, or the ability to obtain them if needed.

Compensation

- \$40+ per one-hour class, based on experience
- Paid every two weeks
- Flexible on how many classes you take
- Instructors can use our King of Prussia studio to rehearse at a low rate

Why Join Us

- Small class sizes and a supportive environment
- A new and growing studio, three locations now and more opening
- Creative input into song choice and choreography

Send a short intro, your dance background or resume, and a link to any video of you dancing. Something you already have posted is fine.
